PARROT PLAYGROUND CAGE – JUMBO
Product Code : B0524

Size: W: 118.7cm x L: 78cm x H: 225cm
Wire thickness: 4.0mm/3.5mm
Wire spacing: 25.5mm
Suitable for: Large Parrots - Galahs, Cockatoos, Amazons
Key Features:

- ***Premium Powder-Coated Metal Construction:*** Built to last, the Breeders Secret Bird Cage is constructed from high-quality powder-coated metal. This heavy-duty material ensures durability, longevity, and resistance to rust, making it the perfect choice for housing your avian companions securely.

- ***Heavy Duty Wire:*** Rest easy knowing that your birds are safe and secure within the heavy-duty wire walls of this cage. The sturdy wire design provides both security and visibility, allowing you to keep an eye on your pets while they enjoy their cozy haven.

- ***Slide-Out Trays for Easy Cleaning***: Cleaning has never been easier! With the convenient slide-out trays, you can effortlessly maintain a clean and hygienic environment for your birds. Simply remove the trays, dispose of waste, and slide them back in.

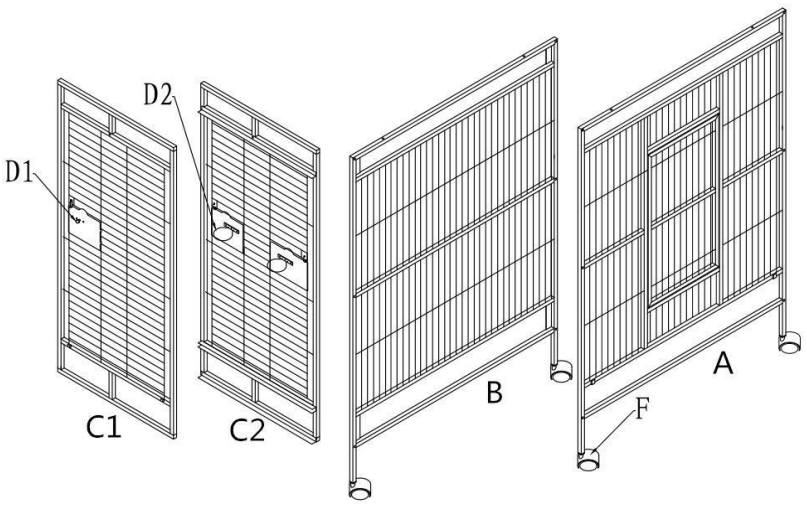

- ***Castors for Effortless Mobility:*** The inclusion of castors on the bottom of the Breeders Secret Bird Cage allows you to move it around your home with ease. Whether you want to relocate it for a change of scenery or simply need to access a different area of your living space, this cage effortlessly glides into place.

- ***Includes Feeder and Drinker:*** We've taken the guesswork out of setting up your bird's habitat. The Breeders Secret Bird Cage comes complete with a feeder and drinker, ensuring your feathered friends have access to food and water right from the start. It's all about convenience for you and comfort for your birds.
